Fort St. George, April 30, 1927
(*G.O. Mis. No.* 1532, *L. & M.*).

No. 581.—The Board of Commissioners for Hindu Religious Endowments brings to the notice of Government that Sri Bhogeswaraswami and Sri Chidambareswaraswami temples at Nermetla and Sri Rameswaraswami temple at Rajampallu, Gooty taluk, Anantapur district, which were under the control of the Gooty Taluk Hindu Temple Committee before the passing of the Hindu Religious Endowments Act, 1927, are now outside its control as the annual income of each of these temples is less than Rs. 250, that there is no trustee for any of them and that the poojaris who manage them, have divided the lands of the temples among themselves and have

alienated them by way of munigatta leases. The Board considers that in the interests of the temples, trustees should be appointed to exercise control over the poojaris and to take steps to recover the alienated lands. The Board therefore requests the Government to apply to these three temples all the provisions of the Madras Hindu Religious Endowments Act, 1926, except section 69 relating to the levy of contributions towards the expenses of the Board and the Committee. Before issuing a notification under the proviso to section 4 of the Act as desired by the Board, the Government desire to know whether any Archaks of any of these temples or any worshipper has any objection to urge against such application. If no valid objection is received by the Government within a month from the date of publication of this notification in the District Gazette, the Government will proceed to issue a notification under the proviso to section 4 of the Act applying all the provisions of the Act except section 69 to the said three temples.

J. Green should be reported to the Government not later than the 6th June 1927.

No. 588.—As prescribed by the rules relating to the election of members of district boards by taluk boards, it is hereby notified that the undermentioned gentlemen have been elected as members of the district boards noted against their names by the taluk boards specified therein :—

Srimati Rubertsahu Mahasaya—Ganjam District Board (by the Berhampur Taluk Board)

M.R.Ry. C. T. Unni Nayar Avargal—Malabar District Board (by the Calicut Taluk Board).

N. RAMAYYA SASTRIYAR,
Assistant Secretary to Government.

Fort St. George, May 3, 1927.

No. 554.—The following letter from the Secretary to the Government of the United Provinces, to the Secretary to the Government of Madras, Local Self-Government Department, No. 150/XVI-32, dated Allahabad, the 22nd April 1927, is published :—

[*Subject.*—Pilgrim route to Badrinath.]

I am directed to say that a report has been received to the effect that a heavy fall of snow has recently damaged three log bridges between Pandukeshar and Badrinath and that it is probable that the three bridges over the Vishnuganga and the other log bridges near Badrinath have also been damaged. It is not possible to ascertain the damages suffered by these bridges as they are covered with some 30 feet of snow.

2. There will be no difficulty in arranging for the passage of pilgrims where log bridges are damaged, but it will be difficult for them to cross the Vishnuganga, should any of the bridges over it be seriously damaged.

3. The doors of the temple at Badrinath will be opened on May 13, 1927, and this gives very little time for the snow to melt and the necessary repairs to be taken in hand. I am, therefore, to request you to give as much publicity to the facts mentioned above as possible and to suggest to intending pilgrims that they should delay their departure for Badrinath as much as they can. They may otherwise suffer great discomfort and inconvenience.

T. B. RAMACHANDRA MUDALIYAR,
Assistant Secretary to Government.

Fort St. George, May 10, 1927.

Subject to the conditions hereinafter stated, any person who is entitled to practise as a Barrister in England or Ireland or as an Advocate in the Principal Courts of Scotland, any person duly admitted and on the roll of Advocates of the High Court of Calcutta, Bombay or Allahabad, and any person who, after passing the examination for the Degree of Master of Laws in the University of Madras, has studied for eighteen months with an Advocate of the High Court of Madras, may be admitted as an Advocate of this Court:—

(1) Provided that any person who has already served a regular apprenticeship for the period of one year, as required by rules 1 and 2 of the rules relating to the admission of High Court Vakils, with a view to being admitted to practise as Vakil in the High Court, may be admitted as an Advocate of the High Court, if, after passing the examination for the Degree of Master of Laws in the University of Madras, he has studied for twelve months with an Advocate of the High Court of Madras.

(2) And provided that in case any applicant for enrolment as an Advocate shall show sufficient cause, to the satisfaction of the Court, why the condition of study prescribed in this rule cannot be fully complied with, it shall be in the power of the Court to condone any deficiency in the period of such study.

(3) And provided also that whenever the Advocate-General is a Vakil of the High Court the High Court shall have power to admit and enrol such Vakil as an Advocate on his application in this behalf.

4. Every applicant for enrolment as an Advocate shall state in his application that he intends to practise in the High Court of Madras.

5. The application referred to in rules 2 and 3 shall be made by letter to the Registrar and shall show the date when the applicant was called to the Bar and the number of terms kept by him. High Court, Madras,
3rd May 1927.

The following rules regarding the qualification and admission of proper persons to be Vakils of the High Court of Judicature at Madras are republished for general information.

1. Every candidate for admission as Vakil of the High Court shall be required to satisfy the Court—

(1) either that he passed the examination for the degree of Bachelor of Laws of the University of Madras on or before January 1899, or that he has passed the examination for that degree since January 1899 and (unless the candidate for admission has presided as a Judge of a Civil Court in the Madras Presidency for a period of not less than three years) has also passed the examination in the Law of Practice and Procedure, Civil and Criminal, provided for by Rule 14, or that he has taken the degree of Bachelor of Laws of the University of Allahabad or the degree of Bachelor of Laws of the Aligarh Muslim University or the degree of Bachelor of Laws of the Benares Hindu University of the degree of Bachelor of Laws of the University of Calcutta, or the degree of Bachelor of Laws of the University of Patna or the degree of Bachelor of Laws of the University of Dacca or has taken such degree in Law of any other University as the High Court may, by general or special order, accept as equivalent to the degrees herein specified, and

(2) that after passing the examination for one of the said degrees he has either served a regular apprenticeship to an Advocate, Vakil or Attorney of the High Court under a contract in writing as provided by these rules, or actually practised as a Pleader in the Court of a District or Subordinate Judge in the Madras Presidency or in the Chief Court of Mysore or in the High Court of Travancore or in the Chief Court of Cochin or in the Chief Court of Pudukkottai or in the Court of the Judicial Commissioner of Coorg or in the Court of the Commissioner of Coorg for a period of five years immediately preceding the date of his application, or where the period for which he has actually practised as a Pleader falls short of five years, presided as a Judge of a Civil Court in the Madras Presidency for the period required to make up the deficiency, and

(3) that he is of good moral character.

1-A. "Any person duly admitted and on the roll of Vakils of any other High Court may appear in this High Court, provided that—

(1) he has briefed with him a practitioner of this Court,

(2) he has an adequate fee marked on the brief for the local practitioner, and

(3) he produces a receipted voucher in token of the payment of a special fee to himself."

2. The apprenticeship referred to in clause (2) of Rule 1 shall be for a period of one year, all of which need not necessarily be served under one master, but may be under different persons by virtue of an assignment of the contract of apprenticeship in writing, or by virtue of successive independent contracts provided that the term of service with each Advocate, Vakil or Attorney shall not be for less than six months.

3. The person under whom the apprenticeship is served must be actually practising in the High Court as an Advocate, Vakil or Attorney of the High Court during the whole period of the service.

4. No Advocate, Vakil or Attorney shall, without special leave of the Court, be entitled to take more than two apprentices for service under these rules at one and the same time, nor any apprentice until he shall himself have been in practice for at least three years; and in no case shall the number of apprentices exceed three.

5. The contract in writing whereby any person shall engage to serve as an apprentice under these rules shall, within one calendar month after its execution, be filed with the Registrar together with a statement in writing by such Advocate, Vakil, or Attorney that he has been himself duly admitted, and is practising, and that such contract has been duly executed by himself and by the apprentice herein mentioned. And in every such statement shall be specified the name of the Advocate, Vakil or Attorney, and his place of business and the name and abode of the apprentice together with the date on which the contract was actually executed.

The assignment of any such contract shall likewise be filed with the Registrar within one month from the date of execution thereof, together with a similar statement in writing made by the person to whom the contract has been assigned.

6. In case the contract or assignment, together with the necessary statement aforesaid, be not filed within the time specified, the same may be filed with the Registrar after the expiration thereof; but in

such case the service of such apprentice shall be reckoned to have commenced or been renewed from the date of the filing of such contract or assignment, unless the Court shall otherwise order.

If the High Court disapproves of any contract or assignment filed under the foregoing provisions, such disapproval shall be signified by the Registrar to the contracting parties, and thereupon the contract or assignment, as the case may be, shall be deemed inoperative for the purposes of these rules.

7. Every apprentice shall, during the whole period of his service, keep regularly a diary showing from day to day the nature and amount of the work done by him, and shall have such diary initialled at the end of every month by the person under whom he is serving.

8. Before any apprentice shall be admitted as a Vakil he shall produce a certificate showing that he has attended not less than two-thirds of the lectures on professional conduct and advocacy provided for in Rule 20 below, and shall also sign and file with the Registrar answers to the questions contained in Schedule A hereunto annexed, and an affidavit stating the amount and nature of the work done by him during the period of his service, under the following heads, viz:—

(*a*) Number of plaints prepared.
(*b*) Number of written statements prepared.
(*c*) Number of memoranda of appeal drafted.
(*d*) Number of memoranda of objections drafted.
(*e*) Number of briefs prepared under instructions from clients.
(*f*) Number of cases in which notes of argument have been drawn up.

He shall also, if required by the Court, produce the diary kept by him in manner herein before provided.

The person or persons under whom he has served shall sign and file answers to the questions contained in Schedule B, as also a certificate in the form given herein.

9. In case any apprentice shall show sufficient cause, to the satisfaction of the Court, why the conditions of rules 2 and 8 cannot be fully complied with, it shall be in the power of the Court to dispense with any part of such conditions as it may think fit.

10. Every pleader who applies to be admitted as a Vakil under the latter part of clause (2) of rule 1 shall file his application with the Registrar, together with answers to the questions contained in Schedule C and a certificate in the form given at the foot thereof; also his B.L. diploma, and, if necessary, a certificate showing that he has passed the examination in the Law of Practice and Procedure, Civil and Criminal, referred to in the rule.

11. Every candidate for enrolment as a Vakil shall, if required by the Court, attend in person for the purpose of giving further information touching any matter mentioned in the answers, affidavits or certificates filed with the Registrar as hereinbefore provided.

12. Unless the Court otherwise orders, any person intending to apply to be admitted as a Vakil shall give one month's notice in writing to the Registrar stating his intention, and shall also insert in the *Fort St. George Gazette* a like notice for four successive weeks prior to his application.

13. Every application under these rules shall be made before a Bench of which the Chief Justice is a member, or in his absence the senior Puisne Judge.

14. The examination in the Law of Practice and Procedure, Civil and Criminal, referred to in rule 1, shall be held twice a year in the High Court (or at some other appointed place of which due notice shall be given) in the months of April and October.

TENDERS FOR THE HIRING OUT OF CALVES TO THE KING INSTITUTE, GUINDY, MADRAS.

Notice is hereby given that sealed tenders will be received up to 3 p.m., precisely, on Monday the 13th June 1927 by the Director, King Institute of Preventive Medicine, Guindy, at his office for the supply at the premises of the Institute of calves on hire for the manufacture of vaccine lymph as noted in the schedule hereto. Not less than two tenderers will be selected and required to supply about 150 calves each month. Tenderers will be held to the rates they themselves tender irrespective of the rates in any other tender accepted.

The calves supplied should answer the description noted in the schedule hereto and should be brought, if purchased in the mufassal *by passenger train alone* for which the South Indian Railway and Madras and Southern Mahratta Railway Company have, at present agreed to charge a special rate of 8 annas per waggon of not exceeding 40 calves per mile, at owner's risk, with one attendant free of charge. The Institute cannot hold itself responsible nor contribute any share, if the above rates are changed during the year of contract but will render all necessary help in corresponding with the railway authorities to keep up the agreed rates. Each truck of calves supplied should be supported by a receipt from the railway authorities that the calves were brought by the passenger train. The intending tenderers may quote their terms on the above understanding.

2. Tenders will be opened precisely at 3 p.m., on the 13th June 1927 by the Director, King Institute, at his office at Guindy in the presence of those tenderers who may choose to attend.

3. (a) Tenders should be superscribed "Tenders for the hiring of calves". Each tender must contain not only the rate of hire, but also the total hire value of the supply. The rates quoted should also be expressed in words.

(b) Corrections, if any, in the tender, must be initialled by the tenderer failing which the tender will be rejected.

4. Each tender must be accompanied by a deposit in currency notes only as earnest money of the amounts noted in the schedule. This deposit will be returned to unsuccessful tenderers immediately on application or otherwise within one month and to the successful tenderers as soon as they have satisfactorily executed their contract bond.

5. No person making a tender shall be allowed to withdraw it within forty days from the date thereof and in the event of his so doing, his earnest money deposit shall be forfeited to Government.

6. The earnest money deposit of successful tenderers will be liable to forfeiture if they fail to execute the bond binding them to supply, the cost of stamp being borne by the contractors executing it. They should also furnish security, in cash or Government promissory notes to the extent mentioned in the schedule within one week from the date of the acceptance of the tenders being made known to them.

7. The supplies should begin from 1st July 1927 and be made for one year from that date.

8. No advance of cash will be made to the contractors. Payment of hire in respect of the accepted calves will be made as soon after their acceptance as possible. The totals of contractors' bills should be rounded off to the nearest rupee (i.e., fractions of less than half are disregarded and half a rupee and over are taken as a rupee) in the case of bills amounting to Rs. 25 and upwards. In case of bills for less than Rs. 25 the totals should be rounded to the nearest anna (amounts below six pies are disregarded and six pies and over are taken as one anna).

9. It shall be optional with the Director of the King Institute to indent for a larger or smaller number of calves than those mentioned in the schedule and to suspend supplies on and whenever necessary during the period of contract.

10. The contract must not be sub-let.

11 The Director reserves to himself the right of rejecting any tender without assigning any reason for so doing.

12 In case the contractors after taking the contract be not willing to supply as per their agreement they shall give at least one month's notice and shall forfeit the security to Government. In case of failure to supply calves on the dates required by the Director, the contractors shall be fined an amount fixed by the Director which will be deducted from the monies due or the security. The contractors will also be bound to make good to the Government any loss which may arise from their withdrawal or failure. In the event of the Director having to purchase or hire out the calves specified in the contract locally at higher rates than those contracted for, the excess price shall be deducted from the other monies due to contractors or the amount of security, without the contract being cancelled by Government.

13. No calves shall be supplied to the Institute except on the authority of the Director or some responsible officer authorised by him in this behalf.

14. The calves hired out will be released after the vaccine operations thereon have been carried out and when no longer required. In the event of any casualty occurring among the accepted calves during their period of detention at the Institute, the Institute will indemnify the contractor at the rate of Rs. 2-0-0 a calf.

15. The respective contractors should remove the done calves within 24 hours after they are released. Calves not so removed will be disposed of by private sale or otherwise and the amount thus realised less departmental expenses incurred will be paid to the owners. The contractors cannot claim this amount as a matter of right.

16. Government reserve the power of interference and the acceptance of any tender by the Director of the Institute or the Surgeon-General is provisional

and subject to cancellation by Government at any time within three months of the acceptance by the above officers without reasons being given.

Typed forms of tenders can be had on application to the Manager at the office of the King Institute Guindy.
